Project Lima Busy Bees – Ground Rent Proposal

Dear All

We are pleased to submit our proposal following our conversations and due diligence on Project Lima. We set out below the basis of our Expression of Interest.

1. PURCHASER

Just are a specialist UK financial services group focusing on attractive segments of the UK retirement income market and has an established track record investing in innovative transactions that meet our requirements for stable long-dated cash flows.

Just's Assets Under Management ("AUM") today stands at £27bn and supports over 100,000 customers across the UK.

We focus on acquiring high-quality, low-risk, long-term assets that deliver stable returns through the cycle. They do so by investing in a mix of public credit and privately sourced debt.

For this transaction, we will need to create a newco holding vehicle, at no delay to the process.

2. PURCHASE PRICE

£61,500,000 (Sixty One Million, Five Hundred Thousand Pounds), subject to contract and exclusive of VAT.

3. FINANCING

This acquisition will be fully funded from existing cash reserves, with no dependence on third-party funds.

4. TIMING

Just is happy to work with vendor to agree a mutual date for exchange and completion.

5. CONDITIONS

This offer is subject to the following conditions:

- **Contract**
- Full **legal due diligence**
- Relevant **Committee approvals**
- **Property due diligence** for each asset including appropriate valuation, building & environmental surveys and inspections. This includes flood risk assessments where required.
- **Suitable insurance provisions**, to be maintained and evidence of coverage to be provided upon request. Requirement to be composite insured.
- Satisfactory completion of **KYC and AML checks**, including receipt of all necessary information and documentation.

- Confirmation of **VAT position**

6. PROFESSIONAL TEAM

We have a panel of legal advisors well-suited to this transaction and would select an appropriate firm through a brief competitive process, with no impact on the overall timeline.

For valuation, building, and environmental surveys, we have access to a panel of experienced consultants who can deliver the required reports efficiently and in line with the project schedule.

Where appropriate, we would also consider relying on any existing surveys or reports you may have, or alternatively, working with your existing appointed consultants to support confidentiality and streamline the process further.

7. APPROVALS

Investment Committee (IC) approval will be obtained upon agreement of the Heads of Terms. The key IC members are aware of the offer and are fully supportive.

8. VAT

It is not anticipated that VAT will be payable on the purchase price.

9. COSTS

Each party will bear their own costs associated with this transaction.

10. EXCLUSIVITY

The Purchaser will be provided with an exclusivity period from the date that Heads of Terms are agreed until the date for Exchange of Contracts in order to undertake their due diligence.

11. CONFIDENTIALITY

All terms of this transaction are to remain confidential between the parties and their respective professional advisors.
